

**Air Quality Bureau SPARS Training held February 3-5;  
Title V Workshops held February 3 and 5**

The Air Quality Bureau will host six training sessions for clients wishing to use the State Permitting and Air Reporting System (SPARS) Web access for submitting their year 2008 Title V Annual Emissions Inventory. Additionally, the Title V section of the Air Quality Bureau will hold two training sessions on Title V application forms and compliance as half-day complements to the half-day SPARS training sessions on February 3 and 5. Clients may sign up to attend both in one day.

Topics of discussion will cover changes to the application forms, emissions calculations, periodic monitoring, CAM plans and a summary of common application deficiencies. The compliance section will also review the semi-annual and annual Title V reporting forms and common errors found in the submittals. Question and answer sessions will be held during all presentations.

The location will be the Air Quality Bureau's office at 7900 Hickman Rd., Suite 1, Urbandale, IA. Please contact Barb Stock at 515-242-5100 / [barb.stock@dnr.iowa.gov](mailto:barb.stock@dnr.iowa.gov) to make your reservations.

Sessions will be held in the morning from 8:30 a.m. to no later than noon and 1:00 p.m. to no later than 4:30 p.m.
